### BREAK IN REPORT DECEMBER 2014

On 01/12/14 at 1705hrs in Norton, intruders jumped over the durawall and entered the yard, went to the house and entered through an open window. The alarm triggered and they ran away. Property has burglar bars and a durawall.

On 04/12/14 at 0340hrs in Borrowdale Brooke, intruders broke a wooden door and forced it open. They went upstairs where the client's daughter was, beat her up, demanded keys to the safe, tied her with a string, took some cash in the safe and went away. The alarm did not trigger because it was not armed, the daughter managed to press the panic button after the intruders had ran away. Property has a durawall and electric gate.

On 09/12/14 at 1639hrs in Graniteside, intruders jumped over the durawall and entered the yard, they stole electrical cable which was outside and ran away. The alarm did not trigger because there are no outside sensors. Property has burglar bars and durawall.

On 11/12/14 at 0447hrs in Ridgeview, intruders removed 2 durawall panels and entered the yard, as they were approaching the house the alarm triggered and they ran away. Property has burglar bars, durawall and manual gate.

On 15/12/14 at 1640hrs in Melfort, intruders jumped over the durawall and entered the yard, went and broke one of Manager's office windows and gained entry and stole various items and went away, the alarm did not trigger because it was not armed. Property has durawall, electric gate and burglar bars.

On 16/12/14 at 0350hrs in Parktown, intruder jumped over the durawall and entered the yard, stole a gate motor and went away. The alarm did not trigger because the area where gate motor is has no outside sensors. Property has durawall and electric gate.

On 18/12/14 at 1640hrs in Melfort, intruders jumped over the durawall and entered the yard, went and broke 4 window panes, cut burglar bars using a hacksaw, gained entry and stole various items. The alarm triggered and they ran away leaving some of the stolen items behind. Property has durawall, electric gate and burglar bars.

On 19/12/14 at 0329hrs in Hatfield, intruders cut the security fence and entered the base station intending to siphon fuel from the generator fuel tank, the video alarm triggered and they ran away leaving their 25 litre containers. Property has palisade fence.

On 20/12/14 at 2225hrs in Greendale, intruders jumped over the durawall and entered the yard, they entered the outside bedroom which was not locked, alarm was not armed, but fortunately the client saw them and pressed his panic button, the alarm triggered and they ran away with an I pad and camera. Property has durawall, electric gate and burglar bars.

On 22/12/14 at 0650hrs in Eastlea, intruders jumped over the durawall and entered the yard, broke one of the windows which had no burglar bars, entered the house and stole some items and went away. The alarm did not trigger because the area had no sensors. Property has burglar bars, durawall and electric gate.

On 22/12/14 at 2337hrs in Lochnivar, intruders removed 2 durawall panels and entered the yard, as they were approaching the house the alarm triggered and they ran away. Property has burglar bars, durawall and electric gate.

On 24/12/14 at 1700hrs in Helensvale, intruders jumped over the durawall and entered the yard, stole a borehole pump and ran away. The alarm did not trigger because the area had no outside sensors. Property has burglar bars, durawall and electric gate.

#### MASVINGO

On 25/12/2014 in the early hours in the Industrial area in Chiredzi; intruders gained illegal entry through a cut fence and managed to siphon fuel from one of the 8 trucks parked in the facility. Premises are fenced and manned with two night guards; at about 0400 hrs one of the guards saw a shadow when he was patrolling and when he advanced to investigate he saw two males running away leaving behind two plastic containers and a pipe; one full of diesel the other one was empty.

#### BULAWAYO

On the 08/12/2014 at 1438 hrs an alarm activation from the CBD was received. On arrival our response team discovered that part of the roof had been destroyed. The key holder was advised and attended to check the interior of the premises and it was discovered that the intruder(s) had destroyed part of the roof and ceiling to gain entry and were picked up by the sensor in the process. Nothing was stolen.

On 10/12/ 2014 in Nkulumane area intruder(s) went through the gate and went to the safe and managed to get away with US\$2,000.00. The alarm was not armed on the night in question.

On the 11/12/2014 in Thorngrove we received a report from a client advising that his premises had been broken into. Our control room did not receive a signal. The intruder(s) removed part of the zinc metal sheet of the roof and made a hole on the ceiling behind a stack of stock; the stock was stacked and obstructed the sensor from picking up the intrusion.

#### MUTARE

On 01/12/2014 at 01:19 hrs in the Murambi area, intruders cut electric fence and the alarm went off. The intruders ran away.

On 10/12/2014 at about 03:00 hrs in the CBD area unknown intruders forced open the door and cut burglar bars to gain access into a shop. Once inside they stole various goods. The intruders then got out through the same opening before they disappeared.

On 10/12/2014 at 0155hrs in Nyakamete area unknown intruders removed durawall panels and climbed on top of a parked truck and stole bags of rice.

On 16/12/2014 at about 0300 hrs in the CBD area unknown intruders forced open the door and cut burglar bars to gain access into a phone shop .Once inside they stole various goods. The intruders then got out of the shop and carrying their loot. An alert Safeguard Response team on their patrols intercepted the intruders who then dropped their loot and fled. The shop was not protected by the time of breaking.

On 19/12/2014 at 0155 hrs in the Nyakamete area intruders got inside the commercial premise and stole goods which were stacked outside the offices. When the intruders reached Sakubva they were arrested by police officer who was on patrol leading to the recovery of the stolen property.

On 26/12/2014 in Nyakamete area at about 0155 hours unknown intruders removed durawall panels to gain access into a commercial premise. The patrolling guards observed their movement and the intruders ran away empty handed.

On 30/12/2014 at about 0159 hours in the Fairbridge area unknown intruders forced open window to gain access into a residential house and stole various electrical goods. The house alarm was not armed.
